

Skeptics Verification Guide

The shortest fair route from claim to receipts.

Read order

- Start with the dashboard for the public summary.
- Move into the evidence center to inspect charts and source cards directly.
- Use the skeptic packet, evidence fast read, and review checklist.
- Use standards and tracker after the proof layer is clear.

Carry first

- Skeptic receipt pack.
- Evidence-center fast read.
- Records review checklist.
- Reform-tracker fast read.

Purpose

- The goal is not to dodge scrutiny.
- The goal is to make scrutiny easier by keeping the route from claim to chart to source card to packet obvious.
