

Family Platform - Fast Read Guide

Use this when someone needs the shortest clear explanation of how the site fits together without reading every section in order.

Recommended order

- 1 platform.html
- 2 pillars - the four connected lanes
- 3 system-view - why delay and instability compound harm
- 4 scoreboard - what success would actually be measured against
- 5 guardrails - what this platform is not claiming
- 6 reform-tracker.html
- 7 standards.html
- 8 resources.html

What this page is for

- understanding the platform architecture
- briefing officials, staff, builders, and serious readers
- showing how proof, practical help, measurement, and reform fit together

What this page is not for

- immediate family crisis routing
- replacing the initiative text
- asking readers to trust branding without receipts

Best use note

If the person is new to the site, send them to dashboard.html first. If the person needs practical help, send them to resources.html first.
