## What I am telling people in Maine

- People should not need endless money, insider knowledge, or perfect timing just to understand process and protect their families.
- The campaign should be useful even to someone who never votes for me: clearer links, better resources, and more practical starting points still matter.
- This lane stays separate from any product pitch. The public-interest standard comes first.

## Primary records behind this brief

- Pine Tree Legal Assistance family self-help resources
- Maine Volunteer Lawyers Project family clinics
- MaineHousing eviction prevention resources
- Maine Coalition to End Domestic Violence get help resources
- 211 Maine
- Maine DHHS support pages
