APPELLATE ACCOUNTABILITY

Law Court Direction, Trial-Court Path, and Child Time

Signed orders are placed beside downstream action and elapsed time.

Verified record

• May 12: signed order identified the usual-course trial-court path.

• June 23: signed order authorized future filings to be docketed without presentment.

• August 17: public open letter transmitted.

• August 18: Rule 10(c) intake and routing request transmitted.

Current institutional status

• The York enforcement hearing is scheduled for October 8. A public disposition of the Rule 10(c) routing request is not yet linked in the site record.

Requested action

• Name the action-capable path, clarify the practical meaning of the May 12 directive, and prevent appellate language from becoming null through downstream drift.
