PUBLIC MONEY / PERFORMANCE

Public Money to Court-Technology Performance

The cost figures are distinct source buckets, not one York-only audited invoice.

Cost context

- $95.6M facility financing authority across multiple counties and planning.
- $65M reported York Judicial Center cost.
- $17M-plus reported statewide eCourts spending floor as of March 2025.
- $112.6M-plus broader context; $82M-plus narrower York-plus-eCourts context.

Observed workflow

- eFileMaine, hand delivery, Rule 5 email, acknowledgment forms, certified mail, and a 62-day filing-to-hearing interval.

Records needed

- Contracts and amendments; acceptance testing; service levels; invoices; defect logs; reason-code dictionary; public performance reports.
